Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Sunday 28 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy with patchy rain on Sunday. Brightening up on Monday.

Today:
A windy day, with gales over high ground. Some brightness is likely early morning but it'll be generally cloudy with patchy light rain and drizzle, particularly over the Derbyshire hills. Rather mild. Maximum temperature 14 deg C (57 deg F).

Tonight:
Remaining windy, with gales over high ground. Some light rain or drizzle over the Derbyshire hills but largely dry elsewhere, with brief clear spells in the south and east. Mild. Minimum temperature 9 deg C (48 deg F).

Monday:
Wind gradually easing through the day. Dry and mostly cloudy otherwise, but becoming warm and largely sunny during the afternoon. A fine and clear evening. Maximum temperature 17 deg C (63 deg F).

Outlook for Tuesday to Thursday:
Dry, sunny and warm on Tuesday, with light winds. Wednesday, bright start, rather warm but turning cloudier and cooler from the north. Chilly start Thursday, then dry with sunny spells.
